Max Lift Height:	205 mm	Unit Weight:	135 kg
Overall Length:	1568 mm		
Fork Length:	1150 mm		

GS mark is a voluntary certification mark for technical equipment. It indicates that the equipment meets German and if available, European safety requirements for such devices.

The CE marking (also known as CE mark) is a mandatory conformity mark on many products placed on the single market in the European Economic Area (EEA). The CE marking certifies that a product has met EU consumer safety, health or environmental requirements.

All specifications and figures are subject to change without notice for improvement
